ANNEXURE B4: BANKMED TRADITIONAL PLAN

Schedule of benefits with effect from 1 January 2026

STATUTORY PRESCRIBED MINIMUM BENEFITS

Notwithstanding any provisions to the contrary in this schedule, the Scheme will fund:

- 100% of the diagnosis, treatment and care costs of the Statutory Prescribed Minimum Benefits (PMBs), subject to PMB regulations, if those services are obtained from a Designated Service Provider (DSP) in South Africa; or
 - the relevant Scheme Rate for the diagnosis, treatment and care costs of the Statutory Prescribed Minimum Benefits if a beneficiary voluntarily accesses PMBs via a non-DSP in South Africa, when provision is made for a DSP according to this schedule; or
 - 100% of cost for involuntary use of a non-DSP in South Africa, subject to PMB regulations.

Pre-authorisation, medicine formularies and Scheme protocols (also known as “Care Plans”, “Baskets of Care”, or “Treatment Baskets”) may apply.

Diagnosis costs are only regarded as a PMB if the result of diagnostic investigations confirms a PMB diagnosis.

When insured limits are specified in this schedule, the limit will first be utilised for the payment of the relevant claims, and thereafter continued funding will apply for PMB claims only, subject to PMB Regulations.

Where a benefit is indicated as “no benefit” in this schedule, insured benefits shall nevertheless be provided for PMBs in South Africa, subject to PMB regulations.

Additional arrangements pertaining to PMBs (subject to PMB regulations) are set out in the Preamble to Annexure B and in Annexure D (Claims Procedure and General Provisions Regarding Benefits).
